Dedication

Searching--for leadership. Seeking--character. We found a teacher who possesses a pleasing combination of all the fine qualities that make a person outstanding. As an English teacher her enthusiasm and knowledge have helped students to gain an interesting insight into the areas of literature and grammar. As she teaches, characters in literature become living, breathing beings long to be remembered. Her abilities are exhibited in the capable leadership and guidance she has given the Senior Class. We sincerely dedicate the Yell-O-Jak of 1967 to MRS. MARJORIE RAINEY.

Four Historical Years

Most students at Gibsonville High School do not realize what it means to be Seniors. Only the Seniors themselves can tell how it feels to know that there will be just one more year of exciting football and basketball games, noisy carnivals, rousing pep rallies, and beautiful May Days. Since the beginning of our high school careers in the fall of 1963, we have been looking forward to this year and our graduation. Now that it is so near we long to go back for a few moments to recapture some of the memorable events in our past.

We entered Mr. Sutherlin's and Mr. Cutler's homerooms as awkward, bumbling, verdant freshmen. Oh, how big we felt at first. We were finally in high school. There were so many privileges that would now be ours. We could vote, play sports, attend all the chapels, and even run for certain offices. At our first class meeting, we chose Mike Morgan to lead us as President, and Arron Lewis was to be his assistant. Poor Sara Childress was given the terrible task of keeping our messy records, and Chuck Kleeberg was entrusted with all our money. We were quite busy at that meeting, for we also elected Libby Hagwood and me as Homecoming candidates. We decided that our float would be "Leaping to Victory." We worked hard that particular year and produced a very well constructed masterpiece.

Vicki Overman, who represented us well in the Miss G. H. S. pageant, captured the position of first runner up. LaVerne Capps was our attendant at the annual May Day. Beauty was not all we excelled in. Patsy Haymore cheered as our boys showed a great deal of skill and courage in various athletics. Eddie Blevin, Larry Lashley, Rickey Sutton, Gerald Clapp, Ronnie Yow, Dean Fogleman, Winfred Justice, and Joe Burgess took their places along with other famed athletes (on the bench). While Linda Younger played, Joyce Sockwell and I managed the girls' basketball team. Chuck Kleeberg was the man of the hour during Student Council Elections, as he was elected Treasurer. Our marshal that year was Mike Morgan. To end our first year in high school the grade parents gave us a picnic and a skating party.

After Summer vacation we came back as slightly wiser Sophomores. Though we were still considered underclassmen, we now had the privilege of looking down on the new freshmen. With an almost snobbish air we elected our new class officers. Sara Childress was chosen to lead our class as President, Arron Lewis to alternate as Vice President, Harriett Tickle received the privilege, as our Secretary, of taking notes, and Larry Lashley took training in embezzlement as our Treasurer. These four represented us well under the guidance of our homeroom teachers, Mr. Bowen and Mrs. Wynne. The float we built that year was not exactly beautiful. "It's Gonna be a Steal" would have been quite cute had not the leaves decayed over the weekend. Vicki Overman and I had the honor of riding on that float as contestants in Homecoming. The boys in our class displayed their skill that particular night with Ronnie and Rickey in the starting line up. Other Sophomores participating in football were Larry Lashley, Eddie Belvin, Steve Wall, Darrell Swanger, Hal Blalock, and Gerald Clapp. Ernest and Micheal Younger were managers. We also took part in basketball with Lynn Ausley, Linda Younger, Ronnie Yow, Rickey Sutton, and Larry Lashley making the teams. In the spring, Rickey, Larry, and Eddie took an interest in baseball. Again Student Council Elections came and Arron Lewis was chosen Secretary by the student body. Vicki and Mike proved to have the highest averages and were selected to serve as marshals. Bonnie Walker, Harriett Tickle, Sara Childress, Wilma Michael, Joyce Sockwell, Amy Randolph, Vicki Overman, Chuck Kleeberg, Arron Lewis, Mike Morgan, and I had the honor of being brought into the Beta Club in the spring of 1965. To end our second year at G. H. S. with a bang, the grade parents took us bowling and treated us at McDonalds.

Of Searching

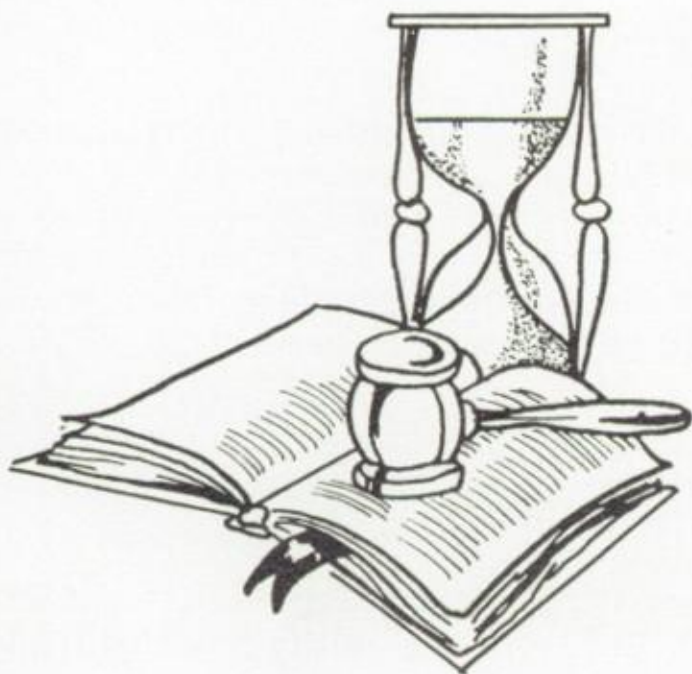

After what seemed to be a very short summer, we returned to Mrs. Rainey, and Mrs. Hoskins as Juniors. It was really hard to conceive that we would be getting class rings, selling magazines, and giving a Junior-Senior Banquet. When we finally became settled and use to the idea of being Juniors, we held our first meeting. Chuck Kleeberg was chosen President; Rickey, Vice President; Arron, Secretary; and Sara, Treasurer. Vicki and Sara were to be Homecoming candidates, and "Victory A-Go-Go" was decided to be the float theme. Most of the same people participated in athletics, they led our school to many victories and a considerably successful season in all sports. Patsy Haymore was elected Chief Cheerleader and Wanda Summers became Assistant Chief. We excelled in the Magazine Sale, and Arron Lewis worked his way to top salesman. Due to our hard work, a beautiful Hawaiian Banquet was given to the graduating class of 1966. A party at the "Y" afterwards was given by our grade parents to all Juniors, Seniors, and guests. Another milestone in our high school careers came with the "Door to Yesterday", our Junior Play. The characters of Granny, Clay, Sheila, and Rusty will be remembered by us for years to come. Student Council elections reminded us our big year was about to end. A close race between Chuck and Arron was decided as Chuck became President and Mike Morgan was elected Vice President. Then came move up day and we saw our dear Senior friends leave Assembly forever. We realized what it meant to be Seniors, and that we would be taking our leave a year from that day. That night, Mike, Chief marshal, led the Seniors down the aisle. Amy and Sara ushered as marshals, also.

After the shortest summer ever, we again returned to G. H. S. This time would be the last. We elected our officers, chose our float theme, and candidates with a weird sense of finality. Winning the float was only a foretaste of things to come as Seniors. Our last Junior-Senior, invitations, caps and gowns, and our final play are some of the events we have to look forward to. We are now resolved to make the most of our Senior year. Afterwards we will regard memories of G. H. S. with feelings of pride and thankfulness.

We are indeed indebted to our parents and teachers who have encouraged and inspired us not only through high school, but all through our lives.

Dear Buzz,

How are you getting along? Everything's going smoothly with me. Thursday night while I was down at the Jamaica Playboy Club shooting some straights with Hugh, he casually mentioned that he needed someone to spearhead a national advertising campaign since he had recently bought into the Breck Corporation. Immediately your establishment came to mind. During our discussion upon using you in the "Beautiful Hair Breck" commercial one of the Playboy bunnies walked over and who should it be but our old friend PATSY HAYMORE.

We began to talk about our old classmates since I had seen most of them frequently during my world travels. Coming over to join the discussion was GARY "FLASHBULB" MAY, head photographer for Playboy.

Speaking of our old classmates, one of them happens to be Hugh's leading subscriber. DARRELL SWANGER has one hundred and fourteen lifetime subscriptions.

Patsy wanted to know what had happened to LARRY LASHLEY. I told her that I had seen him while in Tokyo a few weeks back on another of his assignments as Agent Double "O" size eleven "D". He was looking for Captain CHARLES CALLIGAN of the Seaview, who had been conducting an under seas research project on submarine dairy farming with Professor JOYCE SOCKWELL.

I asked Gary about RONNIE YOW. It seems that he is now a Senator in Washington. With HIS "Jackie" he has found it to be relatively easy to "pup" his way to the top.

Speaking of Washington, the newly appointed head of the Department of Forestry, GERALD CLAPP, was recently asked to leave a VIP party in the White House because his large Collie dog was shedding on the plush carpet.

Did you hear about MIKE MORGAN winning the Nobel Prize in the field of engineering. He invented the Facsmile computer which converts Playboy pin-ups to the real thing right from the picture. I knew Mike was thinking of mankind, mainly himself.

I picked up some vital information about the rest of our classmates I thought you would like to know.

ARRON LEWIS attained the ultimate dream of salesmen when he sold 904 Edsels in one week plus a special Nixon sticker with a down-payment of fifty dollars, in Scranton, Pennsylvania.

MARK KELLIS has become District Manager for the Joseph Schlitz Brewing Co.

HAL BLALOCK and JOE BURGESS have perspective businesses in which General Tire soles are found on all Merit Shoes.

I saw the Grand Prix race last month where I met an old friend, driver JAMES HARDY. He's the only one I know who races with a figure eight, blond co-driver.

AMY RANDOLPH achieved literary acclaim as a newspaper columnist for the New York Times. She is their current obituary composer.

Veteran quarterback for the San Francisco Forty-Niners, EDDIE BELVIN, is now making even more money endorsing Sominex tablets.

LYNN GRIFFEY recently opened an Arthur Murray Dance Studio in Burlington, N. C.

We had more future secretaries as classmates than I dreamed of. Most of them have made it splendidly. LOUISE CLEMMER has become Ernest Tubb's newest secretary. GLENDA GREESON is secretary to Jack E. Leonard. MARY MILTON has become the personal secretary to Ray Charles. HARRIET TICKLE is the newest secretary for Bethlehem Steel. LAVERNE CAPPS has become Barbara Streisands new secretary. Also, MARGARET BROWN has become switchboard operator for the New York Stock Exchange.

While at the French Riviera, I found that RICKEY "KNUCKLES" SUTTON is now a public relations man with the Mafia.

JEANETTE HOWERTON, MICHAEL YOUNGER, and PAUL HUGGINS have formed a new smash hit singing group called "Huggin's Heroes." LIFE MAGAZINE described Paul as being a mass among men.

Much to no one's surprise, STEVE WALL's face is being used in the Burma Shave commercials.

SARA CHILDRESS is the top ranked stewardess for Fickerts Airlines.

BONNIE WALKER has become the bass drummer for the New York Philharmonic orchestra.

JUDY MADREN and WILMA MICHAEL have opened a new restaurant called Phooeys.

BOBBY WILLARD is now a Drivers Education instructor for the mentally retarded.

GWEN HAZLIP is now a happily married mother of three.

JIMMY LOY is currently the President of Greyhound Streamlines Inc.

WANDA SUMMERS has returned to her vocation as guidance counselor at good old G.H.S. after a short rest at Camp Butner.

ERNIE YOUNGER has moved to California and started a motorcycle club called "The Younger Generation."

Yesterday while thumbing through an old magazine I noticed ELLEN HART won the pin-up of the year award for Field and Stream.

It was great to hear that CHUCK KLEEGERG and his band won the Grammy for the best jazz recording of the year. I saw Chuck last at the Jamaica Playboy Club.

Like I said back in school, "someday I would be a multi-millionaire," well, I haven't reached that goal quite yet, but have a great start. I did fairly well as a D. J., song writer, musician, actor, writer, beachcomber, and who knows what's next.

I have to catch a jet shortly so I'll cut out here hoping you accept the offer from Hugh.

Sincerely yours,

TERRY "SACH" MARLEY

scored the final Gibsonville TD, capping off an 88-yard drive.

GIBSONVILLE VS. ALLEN JAY

Gibsonville scored twice in the second period, but the Allen Jay Jaybirds scored a TD in every other period to edge a strong Gibsonville eleven by a score of 20-13. The Gibsonville Yellow Jackets rolled up 13 first downs to the Allen Jay squad's 10, but the Jaybirds outrushed the Jackets by 186 yards to 144. Allen Jay scored its first TD on a 64-yard drive with Jerry Stout going over from the five-yard line in the first period. Gibsonville came roaring back in the second period and after taking the kickoff, drove for the TD with Ronnie Yow going off tackle behind Clapp's blocking to score from the 18-yard line. Just before the half, the Jackets recovered an Allen Jay fumble but failed to score. After the Jaybirds regained the ball, they fumbled again, this time on their own 30-yard line, and the Jackets drove for the score with Yow passing to Mike Morgan for the tally. Allen Jay bounced back in the third period as Larry Johnson, a halfback, returned a punt 60 yards for a touchdown. A bad snap from center set up the Jaybirds final tally, as they recovered on the 20-yard line and later scored from

GIBSONVILLE VS. STONEVILLE

The Yellow Jackets got off to a roaring start against Stoneville with a whopping 33-0 victory in the season opener. The Yellow Jackets scored in every quarter and stopped Stoneville's only threat of scoring at the 12-yard line in the final period. Halfback Ronnie Yow and fullback Rickey Sutton spearheaded the attack which saw the Stoneville eleven outrushed 280 yards to 27. The Jackets rolled up 20 first downs, while the Stoneville eleven only had two, and the Gibsonville squad never had to punt. Mike Morgan tallied the first score on a five yard run to cap off a 56-yard drive. Sutton then dived over after a 64-yard drive for the second tally of the quarter. Yow, who carried the ball 14 times for 168 yards, scored his first TD on a 11-yard run, and later racked up another on a 24-yard jaunt. Sutton

the 11-yard line. Defensively the Jackets were sparked by Gerald Clapp, Rickey Sutton and Arron Lewis.

GIBSONVILLE VS. SOUTHEAST GUILFORD

It was neck and neck, pad to pad, back to back and belly to belly, but the Gibsonville Yellow Jackets finally pulled it out in the final quarter to break a tight defensive duel and defeat the Southeast Guilford Falcons by a score of 6-0. The game was so closely fought, that the winning team, the Yellow Jackets, had only six first downs, while the losing Falcons managed only three. After more than three quarters of bone crushing play, Ronnie Yow finally took the game out of reach with a punt return that went 68-yards for the touchdown with only six minutes left to play. The key play was started by Mike Morgan who gathered in the punt. He handed off to Yow, and faked a run.

The only person he didn't fool was Yow. Five Southeast gridders followed Morgan, until it became apparent that Yow was headed full steam for the goal line. Even then, it took several key blocks to insure Yow of a safe passage. Rickey Sutton, Gerald Clapp and Arron Lewis accomplished the necessary "road clearing" and Yow scooted 68 yards for the score.

GIBSONVILLE VS. TRINITY

The Gibsonville Yellow Jackets lost four fumbles here last night in a home tilt against Trinity and the visitors turned one of them into a touchdown to kill all Yellow Jacket hopes of a victory and scored a 13-6 win. The Yellow Jackets opened the second period with an 80-yard drive in 13 plays as Rickey Sutton scored from the 15-yard line. Then in the

third period Trinity scored two touchdowns. Trinity got only 65 yards rushing and Rickey Sutton, Arron Lewis, David Teaque and Gerald Clapp were responsible for stopping them.

GIBSONVILLE VS. NORTHWEST

If ball games were won by statistics, the Gibsonville Yellow Jackets would have another victory in their pockets. Gibsonville ran the Northwest eleven off the field everywhere but inside the Northwest five-yard line. Twice the Jackets were from five to eight yards from pay dirt, and both times Northwest held. The Gibsonville defense did real well, and at times so did the offense. Gibsonville was sparked on offense by Ronnie Yow and Mike Morgan. The defense was lead by David Teaque, Larry Lashley, Gerald Clapp, Charles Calligan, Arron Lewis, Rickey Sutton, David Sloop and Eddie Belvin.

GIBSONVILLE VS. WESTERN

Flags were flying so thick and fast at the Gibsonville-Western clash, that it was difficult at times to see the

action through the hankies, but it didn't effect the Yellow Jackets as they rolled and rolled and rolled for a final score of 32-6 over the visiting warriors. Gibsonville's touchdowns were by Rickey Sutton, Ronnie Yow, and Eddie Belvin.

GIBSONVILLE VS. NORTHEAST GUILFORD

Northeast Guilford rolled up a 20-- half-time lead and then withstood a Gibsonville comeback for a 27-14 victory here Friday night before a home-coming crowd of 2,500. Tailback Danny Waller sparked Northeast by scoring two touchdowns. While Mike Morgan scored two for Gibsonville with Eddie Belvin passing to him for the last.

GIBSONVILLE VS. SUMNER

Sumner caught the Gibsonville Yellow Jackets on an off night and won 25-0. One rea-

son for the relatively easy Indian win was Gibsonville's injuries. David Teaque broke a leg and will be out for the season, while Ronnie Yow and Arron Lewis also sustained minor injuries. The Sumner scoring was by Tommy Lineberry, Don Shore, and Larry Mosley.

GIBSONVILLE VS. GUILFORD

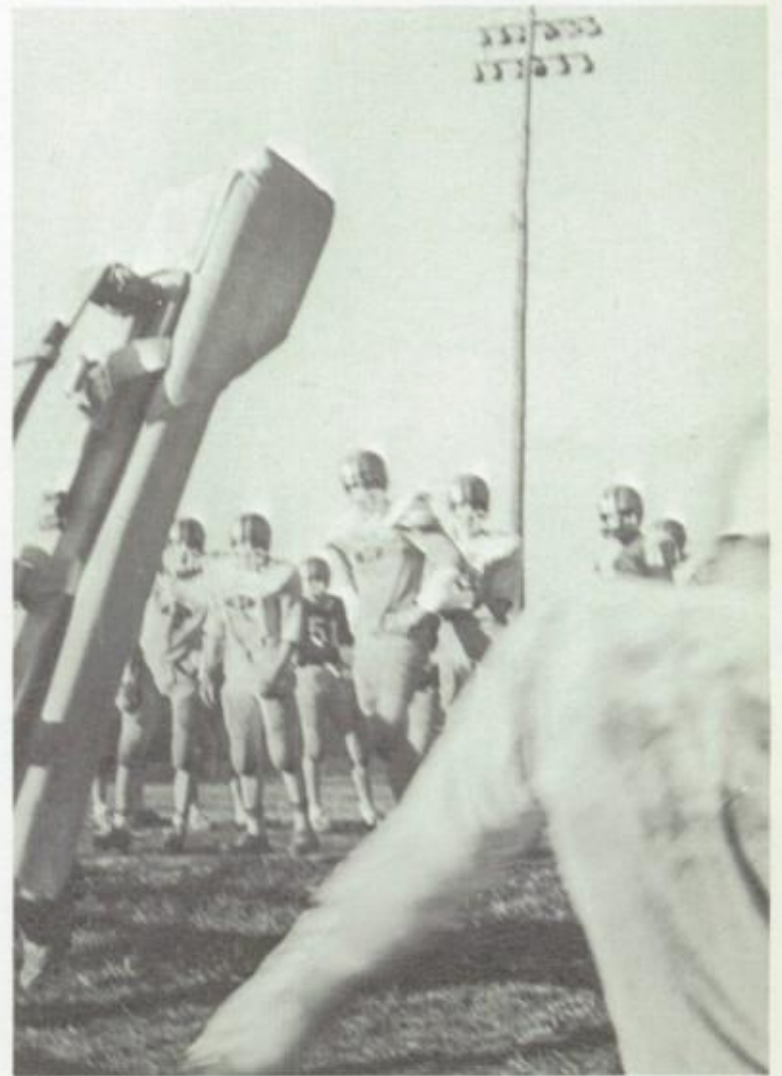

The Gibsonville Yellow Jackets, hamstrung by injuries, were defeated by the Guilford Black Hornets here last night by the decisive score of 37-0. The Black Hornets picked up 12 first downs and rolled up 270 yards rushing and 80 yards passing during the game. Gibsonville had 97 yards rushing and 61 yards passing.

GIBSONVILLE VS. RAMSEUR

The Gibsonville Yellow Jackets ended the season on a winning note here last night as they defeated the Ramseur eleven by a score of 20-0 in a non-conference game. The victory gave the Jackets an overall season record of four wins, five losses, and a tie. On offense the Jackets were led by Larry Lashley, Ronnie Yow, Mike Morgan, Gerald Clapp, and Eddie Belvin. The defense was led by Arron Lewis, Rickey Sutton and Charles Calligan. Yellow Jacket touchdowns were by Rickey Sutton on a five yard run to climax a 57 yard drive. The second score was by Ronnie Yow in the third quarter. A pass from Belvin to Lashley and a lateral from Lashley to

Morgan produced a 61 yard run all the way to the nine yard line to set up the final tally. Rickey Sutton bulled his way over from this point to score his second touchdown.
